

# PERNIGOTTI S.P.A

Creating masterpieces of joy

**PRIVATE LABELS**  
*Catalogue*

## MISSION

We create value in the global food market by combining **Made in Italy** excellence, technological expertise, industrial **reliability**, and operational agility to deliver innovative **private label** solutions, branded products, and gelato mixes worldwide. Rooted in a long-standing **heritage** of Italian excellence,

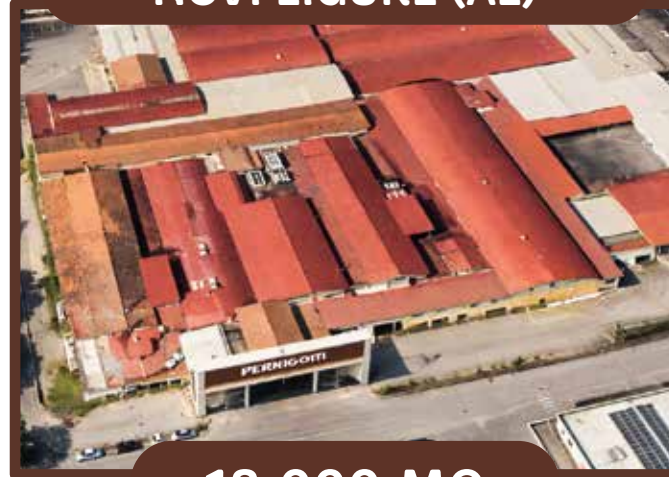

Pernigotti S.p.A. transfers the strength, credibility, and **know-how** of a historic Made in Italy brand into high-quality, tailor-made private label projects. Our advanced technological capabilities and deep product expertise enable us to co-develop flexible, market-driven solutions that respond to evolving consumer trends and customer requirements.

Private label is a strategic pillar of Pernigotti S.p.A.'s growth model and a key enabler of long-term, trust-based partnerships, built on innovation, customization, and consistent quality across international markets.

## LICENSES

As an exclusive licensee of leading global brands, Pernigotti S.p.A is a key player in the licensed confectionery market for children and young consumers. Collaborating with **top international partners and major entertainment studios**, Pernigotti S.p.A. creates appealing, **high-quality products** inspired by the most beloved characters, meeting the tastes of families and **fans worldwide**.

## ICE-CREAM INGREDIENTS

**Signor Stefano** is our B2B brand dedicated to high-quality semi-finished products for artisanal gelato makers, combining Italian tradition and technical expertise. The range of our products includes **powders, bases and premium pastes**—such as gianduia, hazelnut and pistachio—designed to ensure consistency and excellent performance. The new catalogue features **over 100 references and introduces Cioccolato Gelato**: an innovative chocolate “chip” semi-finished product that, **with just hot milk or water** and the churning process, delivers outstanding chocolate gelato **while significantly reducing production time**.
